

# HYBRID EVENTS

What does a Hybrid Event at Doltone House look like?

PRESENTERS AT DOLTONE HOUSE STUDIO/VENUE

ONSITE ATTENDEES AT DOLTONE HOUSE VENUE/S

GUESTS CONNECT REMOTELY (LIVE STREAM)

Host your live event at one of our iconic venues with both face-to-face attendees and online guests through the use of streaming technology. Despite restrictions, your event numbers don't have to be limited by the number of guests physically attending.

Hold your event onsite at Doltone House with attendee numbers adhering to COVID-19 restrictions

Record your live event on camera and broadcast via your preferred online streaming platform

Connect live to your guests who are not physically attending via online streaming. Your online guests can join from anywhere in Australia or around the world

Live streaming can display presentation slides, live camera feed or a combination of both

Encourage event and social interaction throughout your event via onsite and online breakout rooms
