

# VIRTUAL EVENTS

What does a Virtual Event at Doltone House look like?

PRESENTERS AT DOLTONE HOUSE STUDIO/VENUE

GUESTS CONNECT REMOTELY (LIVE STREAM)

When you can't meet in person, Doltone House can support your Virtual Event strategy. There are no limitations on the variety of events you could host. Broadcast your global conference, trade show, product launch or lunch/dinner at either our:

- Dedicated live streaming Studio or
- Doltone House iconic venues

Broadcast your event live at Doltone House via your preferred online streaming platform

Connect live to your online guests from anywhere in Australia or around the world. They can join from the comfort of their home or office using only a laptop or mobile and an internet connection.

Live streaming can display presentation slides, live camera feed or a combination of both

Enhance the online interaction in your event through a range of Doltone House catering or virtual activation experiences.
