Doltone House Darling Island Pyrmont announced as Get Local Welcome Event host Let's GET this party started!

Doltone House Darling Island Pyrmont has been chosen as the official venue for the "Get Together Welcome Event" on Thursday July 29, which is already being heralded as the kick-starter for a return to stronger in-person business event activity in Australia.

Doltone House is keeping plans for the evening under wraps but is promising something extra special for the event which will host the crème de la crème of the business events community from throughout Australia and the Pacific.

CEO Anna Cesarano said Doltone House was thrilled to be partnering with Get Local at such an important time after so much uncertainty in the business events community, and that her team were very much looking forward to reacquainting guests with the Doltone family.

"We are excited at the opportunity of supporting Get Local and how fitting to showcase the event at NSW's first 6 Star Green-rated building," Ms Cesarano said.

"Our business activity is certainly on the rise day by day, as nothing will ever replace the significance of face- to-face gatherings," Ms Cesarano continued. Get Local founders Donna Kessler and Gary Bender said there were great synergies between Doltone House Darling Island Pyrmont and Get Local which

was also focusing on sustainability measures at the event including, among other initiatives, being fully paperless.

"The ease of access to Doltone House Darling Island Pyrmont from the ICC Sydney where Get Local is being held also makes it the obvious choice for a premium and high- quality event," Ms Kessler said. "And we can't wait to see what's in store with their plant-based sustainable menu."

"We wanted to give our guests an experience to remember and we know that will be the case at Doltone House Darling Island Pyrmont," Mr Bender added.

Tickets to attend the Get Local Welcome Event on Thursday, July 29, are strictly limited and available to registered delegates and exhibitors.
